

**PROGRAM DESCRIPTION**

The CSEM Resident Review Course will deliver a high-level endocrinology and metabolism virtual review for PGY-5 residents preparing to write the certification exam. Speakers will present high-yield scenarios with interactive case discussions, polling questions, and key presentations. Residents will be able to apply insights gained from pre- and post-session assessments and faculty feedback directly to their exam preparations.

FACULTY**Topic: Adrenal Diseases**Dr. Stéfanie Parisien - La Salle
